As Mentioned in our Previous Release

JL Innovative Design has purchased the HO Scale line of Selly Finishing Touches cast metal details.

Over the next 6 months we will phase in to our JL Innovative Design line of Vehicle and detail sets several of the most popular items from Selly.

We'll also be releasing many of their popular individual unfinished detail packs under our Durango Press Detail parts line.

We'll also be choosing some of their more interesting items for our Custom Detail Line of Pre-painted and label details.
